

# THE CLEAR CLASSIC

# TRITAN™ PLASTIC

Genuine Tritan™ plastic bottle with threaded spout lid and cap. Clear, lightweight, and functions great as a standalone bottle or replacement for one of our drinking systems.

SKU #504111

- **Capacity:** 25 oz (700ml)
- **Material:** BPA-free clear Tritan plastic
- **Dimensions:** 10 inches (H) x 3 inches (W)
- **Visibility:** Clear to always see your liquid levels.
- **Temperature:** Excels with cold drinks; works for warm drinks (but hot liquids can make the bottle warm to the touch).
- **Portability:** The bottle's lightweight design is easy to carry, and the detachable neck allows it to be stored in coolers or fridges when not in use.

### CONVENIENT CARRY LOOP

Designed with convenient carry loop on the lid when the cap is screwed closed.

### DISHWASHER SAFE

Unlike a real giraffe, this bottle is easy to clean and safe for the dishwasher!

### FITS GIRAFFE BOTTLE HOLDERS

This 25 oz bottle fits our versatile line of bottle holders.

### MONITOR LIQUID INTAKE

Features graduated volume markings in both milliliters and ounces.

## ALL OUR BOTTLES ARE...

### BPA FREE & FDA COMPLIANT

Our bottle components are BPA free and FDA compliant for food and beverage contact.

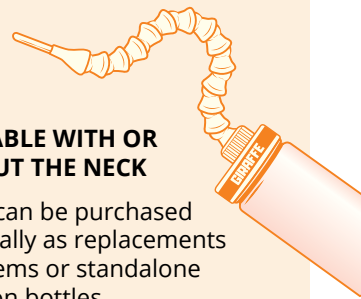

### MADE FOR OUR DRINKING SYSTEMS

Our bottles are cross compatible with all Giraffe Bottle drinking necks and tubes.

### DRINKABLE WITH OR WITHOUT THE NECK

Bottles can be purchased individually as replacements for systems or standalone hydration bottles.
