THROUGH EVERY LEVEL OF HYDRATION...

**We're Here
For You!**

Giraffe Bottles make staying hydrated simple, providing innovative designs for those who may have issues with mobility. All Giraffe Bottle Systems are designed to function without needing to be held, and are great for providing the user with independence.

We're committed to helping our users staying hydrated and healthy, implementing premium materials and intelligent design in all of our drinking systems.

- All kits will provide a bottle choice of plastic Tritan, or Stainless Steel (Smoke Black)
 - Bottles are BPA Free, and FDA compliant
 - Bottles are cross compatible with all Giraffe Bottle Drinking Systems
- Bottles can be purchased individually as replacements for systems, or to be used as hydration bottles

*Each SGN bottle purchase donates to giraffe conservation

FLEXIBLE JOURNEY NECK

MORE THAN ONE MOUNT

Because the Journey was made to move, it pairs great with a bottle holder, OR carry bag

LARGE, FLEXIBLE TUBE

Stay free and hydrated with a insanely flexible drinking tube, featuring a larger opening

REMOVABLE BITE VALVE

Control the flow of your drink, and keep the tube-end from leaking when not in use

METAL CLOTHING CLIP

Position your drinking tube within reach at all times, and keep hydration convenient

Every System Includes:

• BOTTLE

• DRINKING TUBE

• BITE VALVE

• TUBE CLEANING
BRUSH

- Features a large drinking tube, and bite valve, and small clothing clip.
 - Necks reach up to 36" (91cm) and can be cut to length if needed.
- Pieces for the system are interchangeable and replaceable, and materials are always made BPA free and FDA compliant.
- This solution pairs great with desks, wheel chairs, beds, tables, and more.
 - Kits come with a choice of bottle in plastic Tritan, or Stainless Steel.
- Options available to include Bottle Holder with rotating clamp for mounting, or Bottle Carry Bag.

*Stainless kits include bottle brush/extra carry lid.

Compatible with:

ModularHose + **mogo**
mounting solutions

Giraffe Bottle Holder With QuickClick - Shown with a MOGO Modular Metal Arm.

MULTIPLE MOUNTS

In the commitment to Universal Hydration, Giraffe Bottle designed several solutions to bring Hydration Systems on-the-go. Between our wheelchair-compatible Bottle Holders, Desktop Holders with weighted bases, and neoprene carrier bags, there are plenty of opportunities to create an ideal hands-free experience.

Giraffe Bottles are also compatible with products from ModularHose and MOGO Mounting Solutions. If you want to create a more custom solution for your lifestyle, you can explore options with compatible bottle holders available at modularhose.com/mogomounts.com.

BOTTLE HOLDER W/ CLAMP MOUNT

Aluminum bottle holder for mounting on .75" - 1.25" round tubing. Clamp rotates horizontally and vertically.

#500311

BOTTLE HOLDER W/ RAIL MOUNT BRACKET

Aluminum bottle holder with rail mount brackets. Made for powerchairs with accessory rails (ex. Permobil/Quantum).

#500314

BOTTLE HOLDER W/ CUSHION COMPANION

Slide this adjustable bottle holder under a mattress, seat cushion, or other surface. Adjust the L bracket tip to point up/down, depending on where it's used.

#500332

DESKTOP BOTTLE HOLDER

This weighted base holds bottles and assemblies securely on a table, desk, or any other flat surface.

#500323

NEOPRENE BOTTLE CARRYING BAG

Carry your bottle on shoulders with this bag, or loop it over frames of chairs, beds, and desks.
